Overcharging on drugs

2995. SHRI SANTOSHTUJMAR SAHU: Will the Minister of PETROLEUM AND CHEMICALS be pleased to state:

(a) what are the details of cases of overcharging which came to the notice of his Ministry where prosecution was launched under DPCO, 1979 and DPCO, 1987;

(b) what are the details of cases of over charging where violation has been proved under DPCO, 1979 and what penal action was taken against each;

(c) in how many cases of over-charging the amounts have been recovered under DPCO, 1987;

(d) what is the present position of Flucort range of formulations, Dextropropoxyphene formulations, Metoclopromide formulations, Dex-atopic cream, Combiflame and all such type of cases and what steps have been taken to make price control effective; and

(e) what are the names of finished medicines where price increases have been allowed during June, July, and August, 1990 and what is the justification for each?

THE MINISTER OF PETRO LEUM AND CHEMICALS (SHRI M. S. GURUPADA-SWAMY): (a) and (b) In none of the cases prosecution was laun ched under the provisions of Drugs (Prices Control) Order, 1979 and under DPCO, 1987, so far.

(c) Overcharged amounts have not been recovered under in any case so far under the provisions of DPCO, 1987.

(d) The price of Combiflame is being complied with buy the manufacturer. Producers of Flucort range have intimated that they have implemented the price from the batch produced after the receipt of the Government order fixing the prices. Action to ensure compliance with the Government fixed prices is on in other cases.

(e) Information as available is given in the attached Statement. *(See* below).

Statement
